# Why we need to invest in this property:

- >20% of amount accumulates every year upto 3 years. At 36th month ,160% returns to investors.
- > Land is appraised for 50 millions, \$16 millions collecting to pay off private lender Note.
- > We are the first Lien holder.
- > if land owner default ,we will take over land and sell the land, until sale , Interest is accumulate every day.
- >If partial land sale , landowner will pay 75% of the amount of sale to us first.
- >Payoff the 100% amount before 75% of land being sold.
- > Amount is required in July 1st week.
- > Already Costco ,AutoNation, BJ's wholesale submitted LOI.
- >Water ,Sewer already in place. City willing to give any permission.
- >minimum \$50k cash.
- >\$62,500 per acre we are going as lien holder, Owners bought it for \$108k per acre.
